

"Talking alone will not keep glaciers from melting and rainforests from disappearing."

The Campaign "Stop talking. Start planting" is a creation of the advertising agency Leagas Delaney, Hamburg to support the important work of the children from the global student initiative Plant-for-the-Planet. "Stop talking. Start planting" has been awarded in the GWA Social Effie category national/ international as best Social Campaign 2010. Thank you, Hermann Waterkamp and the team from Leagas Delaney for that excellent and exemplary support.
